

Bleistiftaquarell

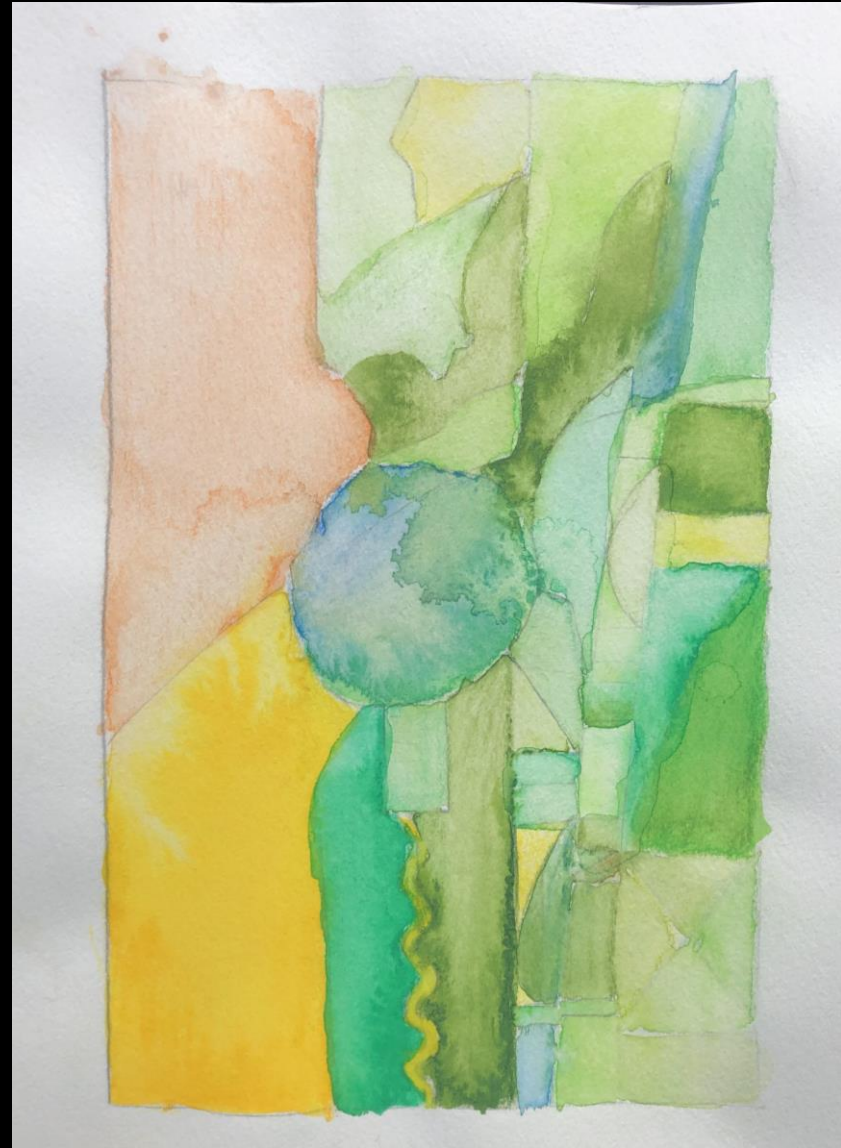

An abstract watercolor painting on a textured paper. The composition is dominated by various shades of green, from light lime to deep forest green. A bright yellow area is in the top left corner, and a soft peach or light orange wash covers the top right. A prominent, wavy, yellow-green line runs horizontally across the middle-left. In the center, there's a large, irregular blue shape with darker, more saturated blue areas within it. The overall style is soft and painterly, with visible brushstrokes and color blending.
